HUGGLESCOTE VILLAGE FETE - SATURDAY 6 JUNE 2026

The set up/break down details have now been confirmed and a copy is available at the back of Church. We need volunteers to help with putting up the gazebo and tables between 0930 and 1100 and taking them down again between 1600 and 1700 hours. We also need volunteers to help during the day - one hour slots between 1200 and 1600 hours. We need volunteers for St John's stall to help run the tombola and talk to visitors to the fete about Church. We also need volunteers for the Churches Together Refreshment Tent to serve tea, coffee and soft drinks. An amended sign up sheet with the set up details is available at the back of Church. Last year over 1000 people attended the event so it is a great opportunity to promote Church and spread the message of God's love. Any questions please see Rachel.
